Star Spangled Banner

Oh, say! can you see by the dawn's early light
What so proudly we hailed at the twilight's last gleaming;
Whose broad stripes and bright stars, through the perilous fight,
O'er the ramparts we watched were so gallantly streaming?
And the rocket's red glare, the bombs bursting in air,
Gave proof through the night that our flag was still there.
Oh, say! does that star-spangled banner yet wave
O'er the land of the free and the home of the brave?

PLYMOUTH BALVIHAR

Our Mission

- ❖ Introduce and build upon the spirit of our Indian cultural heritage.
- ❖ Provide our children with the opportunity to understand Eastern and Western values, which will help them make informed decisions.
- ❖ To instill traditional Indian values and teachings to help build character, self-esteem, leadership qualities and above all, to make them better citizens.
- ❖ Develop reading, writing, and communication skills in different Indian languages.
- ❖ Provide a forum for families to share experiences and knowledge, and build a strong community.

Balvihar meets on Sundays from 2:30 p.m. to 4:30 p.m. from September to June. Children from kindergarten-age and above can enroll to learn about Indian culture and languages. Presently, four Indian languages (Hindi, Gujarati, Telugu, and Marathi) are taught at basic and advanced levels. Children are actively engaged in a variety of activities to help improve their reading and writing skills.

Children are introduced to Indian culture in a structured manner using a variety of educational methods. In addition, they are exposed to the traditional celebration of a number of festivals and holidays outside the classroom. Educational trips are conducted to allow broader exposure to traditions and practices of other segments of the society.

Balvihar strives to help children build strong character, self-esteem and to be good citizens.

**Congratulations Plymouth Balvihar Graduates
Class of 2013!**

Being in Plymouth Balvihar has taught me so much about being part of an Indian community. I learned great things from all of my teachers that I will remember throughout my life! All of the amazing memories and fun times I had will always be with me. I will definitely miss Balvihar next year!
- Manasi Nawathe

BV is a special place for me, and it is an honor to be there. It is a place where I can learn many things, be with my friends, and show who I am. I look forward to every class because every class is fun, exciting and just something to look forward to. It taught me many wonderful things, from language to the learning about the Ramayana. Thank you!
- Sayuri Padmanabhan

Being a part of Plymouth BV community has been an amazing experience, and I am thankful to have truly learned so much in regards to Indian culture and traditions as well as I learned to read, write and speak both Gujarati and Hindi. Thanks to all the volunteers who make BV a success.
- Niva Pandya

Balvihar has been a wonderful experience for me, I have learnt a new language, been educated about India's wonderful and unique culture, and made new friends. When I first walked into Balvihar when I was in 4th grade, I was really nervous and didn't know what to expect, but once I started my Hindi and language classes, I loved coming to Balvihar and talking with my teachers, and learning new things. I'm sad to leave Balvihar this year but all the memories I have made here will stay with me forever. Balvihar has taught me about my religion, the exquisite culture in India, and let me learn a language!
- Aishwarya Ramesh

Congratulations Plymouth Balvihar Graduates

Class of 2013!

Being involved in BV has given the opportunity for me to learn about my heritage, language and culture. I have learned so much, even though I only came two years ago. I have become friends with kids just like me in my classes. BV is a great program, and I am honored to be a part of it.

- Nisha Arya

This is my last year in Balvihar, and I have made lots of memories here. I remember coming here for the first time and feeling really excited. I have made friends throughout the years just by coming to Balvihar. It is a really awesome place if you really think about it.

- Pooja Chawla

Over these past years, BV has given me so much. A new language, a greater appreciation for where I come from, fun annual days and new friends. Thank you Balvihar and all my teachers too.

-Avani Gandhi

Balvihar has been a cherished part of my life for the past 8 years. It has made me appreciate my Indian heritage. I have learned two entire languages in these 8 years, and I finally understand my Indian culture too.

- Rahul Joglekar

Coming to BV for 8 years truly exposed me to Indian Culture. I really enjoyed Annual Day performances and am proud to know Marathi and Hindi. However, I will miss Annual Day most of all.

- Vinit Joshi

Plymouth Balvihar has taught me so much, from learning how to speak the languages to all about India's culture. Balvihar has let me understand and respect my traditions and religion. This was an amazing experience and I will certainly miss it next year.

EACH OFFICE IS INDEPENDENTLY OWNED AND OPERATED

Pallavi is not a typical realtor- She is more of a mentor who simplifies a stressful episode into a pleasant journey. She demonstrates utmost professionalism while never bringing in her own judgment about a house. Pallavi possesses strong knowledge about all the suburbs in and around Philadelphia and a knack to understand the needs of her client. We admire her commitment, passion, and dedication to help clients. We recommend Pallavi to everyone who wants to work with an honest, hardworking, and enduring realtor.

Suchitra & Yogesh Shiralkar

Having Ms. Nadkarni as our Seller agent was a pleasure. She offered us wise advice on pricing, timing and staging our home for efficient sale. She responded to our questions and concerns promptly and satisfactorily. She was creative, dependable, and she got the job done. We would use her services again.

Carol & Gary Gladstone

Thanks for helping us in house hunting in the Philadelphia area. We were extremely pleased with your interest in finding out our needs and in the way you analyzed and ruled in or out different properties. You were sensitive, and we like your patience and no pressure demeanor in guiding us. We have no reservations in highly recommending you to any of our family or friends.

Varsha Rani & Dr. Vijay Rekhala

I have had the privilege of working with Pallavi twice. She helped purchase my first home and then helped me sell it seven years later. She is a consummate professional and stands by you from the beginning to the end. She got me one of the highest sale prices in years on a home in my block!

Plymouth Balvihar Fun Fact

Annual Day started as a Diwali event. Then it was moved to Spring and students did Language AND Culture performances.

Plymouth Balvihar Fun Fact

For the early annual picnics, Balvihar parents brought homemade rice dishes and made tea in clay pots since they were so small!

Plymouth Balvihar Fun Fact

The name "Plymouth Balvihar" was given because :

- We were in Plymouth Meeting, PA
- The root "PLY" means layers like a tree trunk that grows a new layer every year while retaining the old one. This matches our objective to reinforce and layer our knowledge, culture and religious beliefs on our children.
- There's a history with immigrants and founders associated with the Plymouth Rock.

*"Culture is the
widening
of the mind and
of the spirit."*
